

June 2024

Etone College
www.etonecollege.co.uk

Dear Parents/Carers,

Your child has been selected to complete their Multiskills Activity Award due to their outstanding leadership in lessons. The Multi skills activity award will give the opportunity to develop leadership skills.

Successful achievement of the qualification will enable pupils to facilitate extra-curricular activities within educational settings including primary and secondary schools together with community participation programmes which we aim to develop in the near future with those that are successful.

The qualification is designed to support community development, with the aspiration to be able to tackle physical inactivity and social exclusion whilst supporting health, wellbeing and participation initiatives.

The training for this qualification will take place at Etone College on Tuesday 2nd July. Students will need to arrive at school wearing their full Etone PE kit. They will also require their stationary. Please complete the consent contained in the link to confirm your child's attendance.
