Dear Parent/ Carer

As you are aware we currently use the following applications for home/school communication:

- Matrix Academy App (WeDuc) – Catering balance
- Sims App – Homework, Progress Reports, Timetable and behaviour information

From September we will no longer be using Sims App and all communication will be via the Matrix Academy App only.

If you have not yet downloaded the application you can do so here:
<https://apps.apple.com/tr/app/matrix-academy-trust/id6447687483>

Using Matrix Academy Trust App

From September the following is accessible from our App:

- Report an absence
- Check and manage your child's homework
- Access the parent calendar
- Receive notifications for key information including timetable
- View positive rewards points and behaviour points
- View your child's attendance
- Book your Progress Evening appointments

For support on how to utilise the app please follow the link to our Etone College: Matrix Academy App guide: <https://bit.ly/4cWV5cE>

You can still contact the school through our telephone number if required.

If you have any questions or would like help logging on please contact the school and ask for Mr Bowley.

Kind regards,

Mr I Smith
Headteacher
