

22nd October

Dear Parent/Carer,

Please find attached a list of upcoming open days for universities in the UK.

Etone College
www.etonecollege.co.uk

Attending open days is an ideal opportunity for your child to speak with lecturers and student ambassadors to get a better idea about potential degrees and what each individual university has to offer. You can also ask questions about accommodation and facilities. Some universities have not released their 2025 Open Days at present and are outlined below as TBC. You will need to check for updates on their websites throughout the year.

All open days are free to attend. Any mid-week visits would be recorded as authorised absence, as this is seen as a recognised educational day. Some require you to register beforehand on their website. Each university will have bespoke modules for courses so we highly recommend going to visit each university your child is thinking of applying to.
