

“You Said, We Did”

Etone College

You Said	We Did
<p>Parent asked about government changes to attendance and how this would impact Etone</p>	<p>We gave a summary of main changes including an increase from £60 to £80 fine. More detail to be provided at the next meeting.</p>
<p>Parent said they had struggled to find key dates of events on the calendar on the website</p>	<p>These dates would be available through the Matrix Academy Trust (MAT) App moving forwards.</p>
<p>Parent asked about the length of referral time for success centre support</p>	<p>We said referral time was around 3 weeks however, we provide lots of in school support and continually review our processes with the aim of reducing referral times.</p>
